# Tiebreaker – Recruitment of Administrative Assistants

The following scheme will be adopted in case of a tie in the marks scored by the candidates in the job-oriented aptitude test arises:

- The candidate scoring higher marks in the written aptitude exam will be ranked higher.
  If the tie persists, then

- The candidate scoring higher marks in the “Logical and Numerical Reasoning” section will be ranked higher.
  If the tie persists, then

- The candidate scoring higher marks in the “Verbal ability” section will be ranked higher.
  If the tie persists, then

- The candidate scoring higher marks in the section on “Knowledge in Computer Applications” section will be ranked higher.
  If the tie persists, then

- The candidate scoring higher marks in the section on “General Awareness" section will be ranked higher.
  If the tie persists, then

- The candidate scoring higher marks in the section on “Quantitative ability" section will be ranked higher.
  If the tie persists, then

- If candidates score the same marks in all the above-mentioned sections, then date of birth will be considered as the ranking criteria.
  If the tie persists, then

- The Director will be the competent authority to decide the ranking criteria further.
