Ref: IISC/CST/2023/INCUB (corr)

Corrigendum for technical specs in tender notification for the procurement of a carbon dioxide incubator

Last date of submission: 12 September 2023

Please note the correction highlighted in yellow:

- a. Maximum temperature for sensor functionality: 85 °C
- b. Temperature range of 5 – 60 °C to be maintained within the chamber with accuracy of ± 0.20 °C.

Thanking you,
Dr. Souradeep Gupta
