

## **MB303 Jan 3:0**

### **Elements of Structural Biology**

#### **Instructor**

B Gopal  
Email: bgopal@iisc.ac.in

#### **Teaching Assistant**

Ashish Deshmukh  
Email: ashish@iisc.ac.in

#### **Department: Molecular Biophysics Unit**

Course Time: Mon., Wed., Fri 5-6pm

Lecture venue: MBU seminar hall

Detailed Course Page: [http://mbu.iisc.ac.in/~bggrp/index\\_files/Page340.htm](http://mbu.iisc.ac.in/~bggrp/index_files/Page340.htm)

### **Announcements**

#### **Brief description of the course**

UG, MS, PhD registrants

#### **Prerequisites**

Physics/ Chemistry/ Mathematics at Bachelor`s degree level

MB201/ MB204/ MB205/ MB206

#### **Syllabus**

Biophysical techniques, structural biology methods, crystallography

#### **Course outcomes**

Introduction to structural biology

#### **Grading policy**

20 % assignments

40% mid-term

40% end term

#### **Assignments**
