

Tender Notification for the procurement of Equipment and software under MIELES project at CCE

To whom it may concern

This is an RFP (Request for Proposal) document for procurement of Equipment and software used for recording at Centre for Continuing Education at IISc, Bangalore.

Procedure:

1. Vendors are required to submit a technical proposal and a commercial proposal in two separate sealed envelopes. Only vendors who meet the technical requirement will be considered for the commercial negotiation.
2. The decision of purchase committee will be final.
3. The technical proposal should contain a compliance table with 5 columns. The first column must list the technical requirements, in the order that they are given in the technical configuration below. The second column should describe your compliance in a "Yes" or "No" response. If "No" the third column should provide the extent of the deviation (please provide quantitative responses). The fourth column should state the reasons for the deviation, if any. The fourth column can be used to compare your tool with that of your competitors or provide details as requested in the technical requirements table below.
4. Any additional capabilities or technical details, that you would like to bring to the attention of the purchase committee, can be listed at the end of the technical table.
5. The **deadline for submission of proposals is the 15th of May 2019, 5:30PM** Indian Standard Time. Proposals should arrive at the office of The Chairman, Centre for Continuing Education, Indian Institute of Science, Bangalore 560012, India, by the above deadline.
6. Please provide itemized quotes for the instruments and any extra options/attachments/packages.
7. Please indicate the warranty provided with the tool. Longer (1 year or more) warranty periods are preferable. Please provide options for extended warranty and calibration for instruments.
8. Any questions or clarifications can be directed to:
