INDIAN INSTITUTE OF SCIENCE, BANGALORE
ADVERTISEMENT

Indian Institute of Science (IISc), a leading institution for research and training in science and engineering, generates intellectual property, files and maintains patents and transfers technology to industries. For further details, please visit the web site at iptel.iisc.ac.in

In this context, IISc invites applications for the position of Technologist at its Intellectual Property and Technology Licensing office.

The appointment will be on a contract basis, initially for a period of one year, extendable for a maximum period of up to five years with an annual review for satisfactory performance. The consolidated salary of the Technologist will be as per IISc norms.

Job Description:

The responsibilities of the Technologist will include the following:
- Evaluate patentability of disclosures submitted to IPTeL in conjunction with chair IP
- Oversee IP management and the IPTeL office management.
- Mine IP within IISc and market IISc IP to industries through suitable platforms
- Identify licensing opportunities and negotiate licensing agreements with industry
- Submit proposals to GOI on IISc's behalf to fund bridging of the TRL gap between current IP and industry needs.

Eligibility:

It is preferred that the candidate should at least have a
- Master's degree in engineering or basic sciences with extensive domain experience.

Experience:

- 3 years of experience in IP and technology transfer management in industry, academia or government institutions
- a track record in licensing academic IP to industry will be given preference.

Age: Not exceeding 40 years as on 31.03.2022. Relaxation in age is applicable for the applicants from SC/ST/OBC and PH categories as per norms. Age can also be relaxed at the discretion of IPTeL for the candidates with experience and merit.

Mode of Selection:

The selection of the candidates will be on the basis of their CV and performance in an interview conducted at the Office of IPTeL, IISc, Bangalore. Soft copy of application in the given format along with latest CV should be sent by **electronic mail to** chair.iptel@iisc.ac.in.

In the e-mail subject line, please include the phrase, "**Application for the post of Technologist-IP".** Kindly **do not** send hard copies of your application.

The last date for receiving the applications is 31 March 2022

Short –listed candidates will be called for an interview in the month of April – 2022.

Chairperson, IPTeL
