

## **Tender Notification for the procurement of a femtosecond laser from domestic (India-based) manufacturers**

The Indian Institute of Science (IISc), Bangalore, seeks the supply of a femtosecond laser from domestic suppliers for a 3D bioprinter. The technical specifications, including terms and conditions, are provided below. The last date of submitting quotes is mentioned below.

The rules laid out by the Government of India in order No. P45021/2/2017-PP (BE-II) issued by the Public Procurement Section, Department of Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, dated 04th June 2020, will be followed. Per this order, the government has defined a 'Class-I local supplier' as "a supplier or service provider, whose goods, services or works offered for procurement, has local content equal to or more than 50%". A 'Class-II local supplier' is "a supplier or service provider, whose goods, services or works offered for procurement, has local content more than 20% but less than 50%". Only 'Class-I' and 'Class-II' local suppliers are eligible to participate in this open domestic tender. Any 'Non-local supplier', i.e., "a supplier or service provider, whose goods, services or works offered for procurement, has local content less than 20%" is ineligible to participate in this tender.

### **Terms and conditions:**

1. The quote should come only from an Indian Original Equipment Manufacturer (OEM) or their Indian authorized distributor. The cover letter should mention whether the vendor is a 'Class I' local supplier or a 'Class II' local supplier.
2. The sealed bid must be submitted in two individually sealed parts, one each for the technical bid and the commercial bid. The technical bid should contain all commercial terms and conditions, except the price.
3. The technical bid must contain a technical compliance document, preferably in the form of a table responding against each specification. Any deviation from the specification should be provided.
4. The vendor/company should have a track record of having previously supplied at least five similar items (optical parts) in India in the past five years (please furnish the details).
5. The offer shall be valid at least 60 days from the date of opening of the commercial bid.
6. The vendor/company should have existed for a minimum of 3 years. (Enclose Company Registration Certificate). The vendor/company must not be blacklisted/banned/suspended or have a record of any service-related dispute with any organization in India or elsewhere.
7. The quotations should be on FOR-IISc Bangalore basis
8. The Institute reserves the right to accept or reject any bid or to annul the bidding process and reject all bids at any time prior to the award of contract without thereby incurring any liability of the affected bidder or bidders.
9. Notwithstanding anything specified in this tender document, IISc Bangalore, in its sole discretion, unconditionally and without having to assign any reason, reserves the rights:
  - a. To accept OR reject the lowest tender or any other tender or all the tenders.
  - b. To accept any tender in full or in part.
  - c. To reject the tender, offer not conforming to the tender terms.
10. The tender documents should be sent to the following address to reach the latest by 2<sup>nd</sup> May 2022.

The Chairman, Department of Materials Engineering, Indian Institute of Science, C.V Raman Avenue, Bangalore 560012

### **Technical specifications for the laser:**

- Automatic Tunable Ultrafast Ti:Sapphire Laser
- Completely automated, single unit that is auto tunable from 680 to 1080 nm
- Average Power > 3.5 W and Peak Power > 300 kW with Output Power Stability <  $\pm 0.5$  and pulse width of 140 fs
- Repetition Rate : 80 MHz
- Noise : <0.15%
- Spatial Mode : TEM00 ( $M^2 < 1.1$ )
- Solid state chiller as the cooling unit
- All accessories such as necessary software, connectors, adapters, cables etc. required for the independent operation of the laser should be included.
- Installation should be performed on site
- The vendor/company and/or their authorized agent in India should provide aftersales service, full support, and onsite repair if required.
- Warranty: 1 year [onsite repair is preferred] from the date of installation. Please quote for extending the warranty period for an additional one (i.e., total of two) as well as two (i.e., total of three) years.
