

INDIAN INSTITUTE OF SCIENCE BANGALORE ADMISSION NOTICE

BTech Program in Mathematics and Computing

The Indian Institute of Science is starting an interdisciplinary four-year BTech program in Mathematics and Computing. Students have the option of continuing for another year and obtaining a MTech degree subject to fulfilling CGPA, course credits and project requirements.

VISION

The aim of the program is to produce leaders who will be at the forefront of research, development, and innovation in futuristic disciplines and next generation technologies that require deep use of mathematics, computer science, and data science.

ELIGIBILITY Selection will be based on the JEE Advanced 2022 Ranks.
