I. Background:

The Indian Institute of Science (IISc) invites an expression of interest from Architects and Architecture firms to participate in an architectural design competition to design the Additional Wing at Chemical Engineering Department in the IISc Campus.

Indian Institute of Science is a premier research institution of India. In 2011, exactly 100 years after the first batch of students joined IISc in 1911, the Institute began offering a unique 4-year Bachelor of Science (Research) degree programme. This programme is tailored to offer specialisation in a science subject and the knowledge imparted carries a strong flavour of engineering and an exposure to social science disciplines.

Apart from IISc being ranked in the top100 schools in the world (Shanghairankings,2013), it was ranked 8th globally in the “bests mall universities” category by the Times Higher Education or THE Rankings (2017). Chemical Engineering department is consistently ranked in the top100 chemical engineering programmes in the world (QS Top university rankings, 2016). It is considered one of the top chemical engineering departments in the country for graduate studies.

IISc is planning to build fourth wing at Chemical Engineering Department, which can accommodate lecture halls, labs, office space for faculty, instructors and staff. The location of this building has strategically been chosen close to the CPRI Gate of the campus, directly facing Silver Oak Marg and within walking distance of the Main Building.

This will be a single stage competition where the conceptual designs submitted by the short-listed Architects/firms will be evaluated and one Architect/Firm will be selected.
