NOTICE INVITING GLOBAL TENDER

Supply and installation of L-Shaped Antivibration Optical Table system

Instrumentation and Applied Physics,
Division of Physical and Mathematical Science,
Indian Institute of Science, Bangalore

GTE Approval No.: IISc-GTE-2023-252

14-July-2023
Terahertz Micro-Nanoscience and Technologies Lab, IAP
Bangalore 560012

Section 2 – Eligibility Criteria

Prequalification criteria:

1. The bidder must have supplied similar systems to at least 10 educational institutes/universities and/or research organizations and to the CFTI’s in India along with contact details of the at least three independent referees.
2. The bidder should sign and submit the declaration for Acceptance of Terms and Conditions as per -Annexure 4.
3. The Bidder must not be blacklisted/banned/suspended or have a record of any service- related dispute with any organization in India or elsewhere. A declaration to this effect has to be given as per Annexure 3.
4. Original Invoice, Original Warranty Certificate, Original Test Reports should be produced for all imported items from OEM (Original Equipment Manufacturer) at the time of supply of the equipments.
5. The Bidder’s firm should have existence for a minimum of 5 years. The bidder should enclose company registration certificate.
6. System Catalogue should be produced with the Technical Bid.
7. Manufacturer should have ISO or equivalent international standard certificate. Please attach the required certificate with the bid.
8. Supplier will support the user with all the spares for a minimum period of 5 years.
9. The vendor should have qualified technical service personnel/service engineer for the
equipment based in India (preferably in Bangalore). Details of the experienced service engineer including contact detail should be provided in tender document.

Section 3 – Terms and Conditions

A) Submission of Tender:

1. All documentations in the tender should be in English.

2. Tender should be submitted in two envelops (two bid system).
   a. Technical Bid (Part-A) – Technical bid consisting of all technical details and check list for conformance to technical specifications.

   The technical proposal should contain a technical compliance table with 5 columns.
   i. The first column must list the technical requirements, in the order that they are given in the technical requirement below.
   ii. The second column should provide specifications of the instrument against the requirement. Please provide quantitative responses wherever possible.
   iii. The third column should describe your compliance with a “Yes” or “No” only. Ensure that the entries in column 2 and column 3 are consistent.
   iv. The fourth column should state the reasons/explanations/context for deviations, if any.
   v. The fifth column can contain additional remarks from the OEM. You can use this opportunity to highlight technical features, qualify response of previous columns, or provide additional details.

   b. Commercial Bid (Part-B) – Indicating item wise price for the items mentioned in the technical bid, as per the format of quotation provided in tender, and other commercial terms and conditions.

3. The technical bid and price bid should each be placed in separate sealed covers, superscripting on both the envelopes the tender no. and the due date. Both these sealed covers are to be placed in a bigger cover which should also be sealed and duly superscripted with the Tender No, Tender Description & Due Date.

4. The SEALED COVER superscripting tender number / due date & should reach Chairperson Office, Instrumentation and Applied Physics, Indian Institute of Science, Bangalore – 560012, India on or before due date mentioned in the tender notice. In case due date happens to be holiday the tender will be accepted and opened on the next working day. If the quotation cover is not sealed, it will be rejected.

5. All queries are to be addressed to the person identified in “Section 1 – Bid Schedule” of the tender notice.

6. GST/other taxes, levies etc., are to be indicated separately. The BIDDER should mention GST Registration and PAN in the tender document (Indian Bidders only)
7. If price is not quoted in Commercial Bid as per the format provided in tender document, the bid is liable to be rejected.

8. The Institute reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders.

9. Incomplete bids will be summarily rejected.

10. The decision of purchase committee will be the final decision.

B) Cancellation of Tender:
Notwithstanding anything specified in this tender document, IISc Bangalore, in its sole discretion, unconditionally and without having to assign any reason, reserves the rights:

a. To accept OR reject lowest tender or any other tender or all the tenders.

b. To accept any tender in full or in part.

c. To reject the tender, offer not confirming to the tender terms.

C) Validity of the Offer:
The offer shall be valid at least 90 Days from the date of opening of the commercial bid.

D) Evaluation of Offer:

1. The technical bid (Part A) will be opened first and evaluated.

2. Bidders meeting the required eligibility criteria as stated in Section 2 of this document shall only be considered for Commercial Bid (Part B) opening. Further, agencies not furnishing the documentary evidence as required will not be considered.

3. Pre-qualification of the bidders shall not imply final acceptance of the Commercial Bid. The agency may be rejected at any point during technical evaluation or during commercial evaluation. The decision in regard to acceptance and / or rejection of any offer in part or full shall be the sole discretion of IISc Bangalore, and decision in this regard shall be binding on the bidders.

4. The award of contract will be subject to acceptance of the terms and conditions stated in this tender.

5. Any offer which deviates from the vital conditions (as illustrated below) of the tender is liable to be rejected:

a. Non-submission of complete offers.

b. Receipt of bids after due date and time and or by email / fax (unless specified otherwise).

c. Receipt of bids in open conditions.

6. In case any BIDDER is silent on any clauses mentioned in these tender documents, IISc Bangalore shall consider that the BIDDER had accepted the
clauses as of the tender and no further claim will be entertained.

7. No revision in the terms and conditions quoted in the offer will be entertained after the last date and time fixed for receipt of tenders.

8. Lowest bid will be calculated based on the total price of all items tendered for Basic equipment along with accessories selected for installation, operation, preprocessing and post processing, optional items, recommended spares, warranty, annual maintenance contract.

E) Pre-requisites:
The bidder will provide the prerequisite installation requirement of the equipment along with the technical bid.

F) Warranty:
The complete system is to be under warranty for a period of minimum 3 years including free supply of consumables, spare parts and data analysis software from the date of functional installation. If the instrument is found to be defective, it has to be replaced or rectified at the cost of the bidder within 30 days from the date of receipt of written communications from IISc, Bangalore. If there is any delay in replacement or rectification, the warranty period should be correspondingly extended.

G) Purchase Order:
1. The order will be placed on the bidder whose bid is accepted by IISc based on the terms & conditions mentioned in the tender document.

2. The quantity of the items in tender is only indicative. IISc, Bangalore reserves the right to increase /decrease the quantity of the items depending on the requirement.

3. If the quality of the product and service provided is not found satisfactory, IISc, Bangalore reserves the right to cancel or amend the contract.

4. After the award of purchase order, the vendor must provide an Order Acknowledgement within 30 days from the receipt of the Purchase Order

H) Delivery, Installation and Training:
The bidder shall provide the lead time to delivery, installation and made functional at IISc, Bangalore from the date of receipt of purchase order. The system should be delivered, installed and made functional within 90 days from the date of receipt of purchase order. The supply of the items will be considered as effected only on satisfactory installation and inspection of the system and inspection of all the items and features/capabilities tested by the IISc, Bangalore. After successful installation and inspection, the date of taking over of entire system by the IISc, Bangalore shall be taken as the start of the warranty period. No partial shipment is allowed. The bidder should also arrange for technical training to the local facility technologists and users.
I) Payment Terms:
100% payments will be released after completion delivery and satisfactory installation subject to TDS as per rules. AMC cost (if ordered), after completion of warranty period) will be released on half-yearly basis at the end of each six months subject to satisfactory services. The AMC will be comprehensive. As per GFR no advance payment can be made to authorized Indian distributors, unless an equal amount of bank guarantee is provided.

J) Statutory Variation:
Any statutory increase in the taxes and duties subsequent to bidder’s offer, if it takes place within the original contractual delivery date, will be borne by IISc, Bangalore subject to the claim being supported by documentary evidence. However, if any decrease takes place the advantage will have to be passed onto IISc, Bangalore.

K) Disputes and Jurisdiction:
Any legal disputes arising out of any breach of contract pertaining to this tender shall be settled in the court of competent jurisdiction located within the city of Bangalore, India.

L) General:
1. All amendments, time extension, clarifications etc., within the period of submission of the tender will be communicated electronically. No extension in the bid due date/time shall be considered on account of delay in receipt of any document(s) by mail.

2. The bidder may furnish any additional information, which is necessary to establish capabilities to successfully complete the envisaged work. It is however, advised not to furnish superfluous information.

3. The bidder may visit the installation site before submission of tender, with prior intimation.

4. Any information furnished by the bidder found to be incorrect, either immediately or at a later date, would render the bidder liable to be debarred from tendering/taking up of work in IISc, Bangalore.
A. Technical Specifications of the Vibration isolated L-shape optical table system and accessories

| Warranty conditions | -- | 3 year from the date of complete installation with additional AMC charges | Essential |

- Any deviation from not providing proper documentation is subject to rejection as per IISc choice for non-compliance.

B. Training and demonstration
- Complete installation of the optical table system needs to be provided.
- Training for users by the company personnel present ‘on site’ immediately after the installation.
- All pre-installation requirements to have the system installed in ideal room conditions should be included in the quote and all the necessary arrangements needs to be in place before the installation.
- Supplier should agree to provide Performance test reports prior to dispatch of goods.

C. Others
- The system with similar specifications must submit references from previous installations.
- Authorisation letter from OEM manufacturer to be included.
- The cost of shipping to IISc should be included.
- The system should require minimal maintenance.
• The names and contact addresses of the referees must be submitted with the proposal, so the purchase committee can contact them independently.
• The payment terms will be specified in the commercial proposal and is subject to negotiations.
• Vendor must provide complete compliance statement against each technical point.
• Mention the recommended preventive maintenance schedule for the system. Any accessories needed for periodic preventive maintenance during the warranty period and later, should be mentioned in separately the itemized quote.
• Can the preventive maintenance be done by a trained on-site engineer or requires a specialist from the OEM? If the latter, please provide cost of a 3-year AMC with required kit/consumables.
• Valid and highest-level safety, health and environmental protection certification (depending on the region/country) must be provided for the proposed system. The original certificate should be provided with the Unit.
• Operation Manual to be given after installation and acceptance of equipment.
• The system should be supported by a trained local representative and should have a less than 48-hour window of response.
Section 5- Technical Bid

The technical bid should furnish all requirements of the tender along with all annexures in this section and submitted to

The Chairperson,
Attn: Dr. Manukumara Manjappa
Instrumentation and Applied Physics,
Indian Institute of Science
Bangalore – 560012, India
Annexure-1:

Details of the Bidder
The bidder must provide the following mandatory information & attach supporting documents wherever mentioned:

Section 7 – Checklist

(This should be enclosed with technical bid- Part A)

The following items must be checked before the Bid is submitted:

1. Sealed Envelope “A”: Technical Bid
   1. Section 5- Technical Bid (each page signed by the authorized signatory and sealed) with the below annexures:
      a. Annexure 1: Bidders details
      b. Annexure 2: Declaration regarding experience
      c. Annexure 3: Declaration regarding clean track record
      d. Annexure 4: Declaration for acceptance of terms and conditions
      e. Annexure 5: Details of items quoted
   2. Copy of this tender document duly signed by the authorized signatory on every page and sealed.

2. Sealed Envelope “B”: Commercial Bid

Section 6: Commercial Bid

Your quotation must be submitted in two envelopes: Technical Bid (Envelope A) and Commercial Bid (Envelope B) super scribing on both the envelopes with Tender No. and due date and both of these in sealed covers and put in a bigger cover which should also be sealed and duly super scribed with Tender No., Tender description & Due Date.
