Correction to Domestic tender Notification Ref No: CeNSE/SG/01 “for the procurement of A large area multi-material spin coating system” published on 09/05/2024.

On page para 1 point

This is a Request for Quote (RFQ) from Class I and Class II local suppliers/manufacturers only for the procurement of a **pulsed laser deposition system**, for the Centre for Nano Science and Engineering (CeNSE) at the Indian Institute of Science (IISc), Bangalore. IISc is India’s best institution on higher learning and the Center for Nano Science and Engineering is home to one of the best academic fabs in the world that houses a 14,000 sq. ft. cleanroom.

To be read as: procurement of **A large area multi-material spin coating system instead of pulsed laser deposition system**
