	<b>Query</b>	<b>Tender Reference</b>	<b>Response</b>
1.	<p>The tender specification mentions 2 x 10GbE ports and 2 x LAN ports (Intel X550-AT2). Please confirm if this refers to a total of 4 x 10G LAN ports, as a maximum of 2 x 10G ports are available with our OEM server solutions. It is important to note that the server includes 8 PCIe slots, and after installing the NVIDIA RTX 6000 ADA cards, there will not be any free slots available for adding an additional network card. We kindly request clarification on this specification and a possible amendment to align with the hardware limitations. This adjustment will enable us to participate in the tender and ensure compliance with the technical requirements.</p>	<b>Page No. 2</b> <b>Sl. No. 6</b>	Corrigendum: Quote for 2 * 10GbE port(s)
2.	<ul style="list-style-type: none"><li>• The requirement mentions "2 x HDMI ports" as per the technical specifications. However, server-class systems typically do not include HDMI ports. We kindly request you to either remove this requirement or revise the specification accordingly.</li><li>• Each NVIDIA RTX 6000 ADA GPU card is equipped with 4 Display Ports. If required, we can provide 2 DisplayPort-to-HDMI converters. Please note that Display Ports are enabled by default on the RTX 6000 but are deactivated when using vGPU software. Kindly confirm if this arrangement is acceptable; if so, no changes to the specifications will be necessary.</li></ul>	<b>Page No. 2</b> <b>Sl. No. 7</b>	Corrigendum: Quote for VGA port
3.	<p>We wish to know whether the aforesaid tender permits exemption of payment of EMD under MSME policy of Government of India. Kindly confirm so that we as MSMEs can also participate.</p>	<b>Page No. 7</b> <b>Point 14</b>	Corrigendum: Micro and Small Enterprises (MSEs) are exempted from this deposit provided they submit a valid certificate as per GFR / Govt.
