Recruitment of Project Scientist I in AFMM

Indian Institute of Science (IISc), Bangalore, invites applications for the position of **Project Scientist I** in the Advanced Facility for Microscopy and Microanalysis (AFMM) at the Institute. The details are as follows:

Post	No. of Vacancies	Age Limit	Essential Qualification	Monthly Remuneration
Project Scientist I	01	40 years*	Doctoral degree in science or Masters degree in engineering with good expertise in transmission electron microscopy (TEM).	Rs. 67,000/- + HRA ** Post-PhD relevant research experience may be considered for a higher salary at the time of appointment, in accordance with the Institute rules.

*As on the last date of receipt of the application.

**The candidate may be upgraded to Project Scientist II/III (as per the Institute rules), based on satisfactory performance and as deemed fit by the committee.

- **Desirable Qualification:** Hands-on familiarity with routine as well as sophisticated techniques at an advanced level in the transmission and scanning electron microscopy and sample preparation techniques.
- **Job Description:**
The Project Scientist should have hands-on experience in the operation of TEM for materials science applications. The centre houses a state-of-the-art probe-corrected Titan and 200 kV T20 and 300 kV F30 microscopes with sample preparation facilities including Focused-Ion-Beam (FIB) instruments. The overall responsibility of the Facility Manager includes the following:
(a) Basic maintenance of these sophisticated microscopes and will be in-charge of doing the microscopy for external samples.
(b) Participating in collaborative research activities with faculty members and students.
(c) Assisting faculty in generating resources through extra-mural projects to keep the centre financially viable.
(d) Providing technical support for periodic training programmes.
(e) Any other relevant duties as assigned from time to time.
- **Duration**
Engagement is purely temporary on a contract basis, initially for a period of **one year** and renewable annually up to a maximum duration of **five years**, based on the satisfactory performance and requirements of the Institute. Contract tenure will commence from the date of joining. For candidates previously employed at IISc through appointments made by the HR Department, the duration of their prior service will be counted in the maximum permissible tenure of five years.

An annual increment of up to 6% is permissible in case of contract extension, subject to individual case evaluation and the availability of funds.

- **Selection Procedure:** Applications will be screened based on qualifications and experience. Shortlisted candidates will be interviewed.
