This is a Request for quote (RFQ) from the **Original Equipment Manufacturer (OEM) or their authorized Indian distributor** for the procurement of **Ultrasonicator** at the Department of Developmental Biology & Genetics (DBG) in the Indian Institute of Science, Bangalore. All interested vendors shall submit a response demonstrating their capabilities to produce the requested equipment to the primary point of contact.

Section 2 : Eligible Criteria

Prequalification criteria:

1. The bidder should sign and submit the declaration for Acceptance of Terms and Conditions as per Annexure 4.
2. The Bidder must not be blacklisted/banned/suspended or have a record of any service- related dispute with any organization in India or elsewhere. A declaration to this effect has to be given as per Annexure 3.
3. The System Catalogue should be produced with the Technical Bid. Original Invoice, Original Warranty Certificate, and Original Test Reports should be produced for all imported items from OEM (Original Equipment Manufacturer) at the time of supply of equipment.
4. Manufacturers should have an ISO or equivalent international standard certificate. Please attach the required certificate with the bid.
5. The supplier will support the user with all the spares for a minimum period of 5 years.
6. Details of experienced service engineers, including contact details, should be provided in the tender document.

Section 3 : Terms and Conditions

(A) Submission of Tender

1. All documentation in the tender should be in English.
2. Vendors will be required to submit a technical proposal and a commercial proposal in **two separate sealed envelopes** (two bid systems). The technical bid should contain all commercial terms and conditions, except the price. **Only vendors who largely meet the technical requirements will be considered for the commercial bid.**
3. **The technical bid** (Part A) must contain a point-by-point technical compliance document. The technical proposal should contain a compliance table with 5 columns.
 - a. The first column must list the technical requirements in the order that they are given in the technical requirements below.
 - b. The second column must provide the specification of the instrument against the requirement (please provide quantitative responses wherever possible)
 - c. The third column should describe the compliance with a “YES” or “NO” only. Ensure that the entries in column 2 and column 3 are consistent.
 - d. The fourth column should clearly state the reasons/explanations/context for deviations, if any.
 - e. The fifth column may contain additional remarks. It can be used to highlight the technical features, qualify the response of previous columns, or provide additional details.
4. **The commercial bid** (Part B) – Indicating item-wise price for the items mentioned in the technical bid, **as per the format of quotation provided in the tender**, and other commercial terms and conditions. The commercial bid should indicate the following separately: (a) equipment price, (b) optional items, (c) Shipping cost, and (d) the Total cost.
5. GST/other taxes, levies etc., are to be indicated separately. The BIDDER should mention GST Registration and PAN in the tender document (Indian Bidders only).
6. The technical bid and price bid should each be placed in separate sealed covers, super scribing on both the envelopes a tender no. and the due date. Both these sealed covers are to be placed in a bigger cover, which should also be sealed and duly superscripted with the Tender No, Tender Description & Due Date.

7. The SEALED COVER super scribing tender number / due date & should reach the Department of Developmental Biology & Genetics, Indian Institute of Science, Bangalore – 560012, India on or before the due date mentioned in the tender notice. In case the due date happens to be a holiday, the tender will be accepted and opened on the next working day. If the quotation cover is not sealed, it will be rejected.
8. All queries are to be addressed to the person identified in “Section 1: Bid Schedule” of the tender notice.
9. The purchaser reserves the right to accept or reject any bid and to annul the bidding process and reject all bids at any time prior to the award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders.
10. If the foreign bidder is represented by their Indian representatives, the foreign bidder must submit a certificate about their relationship with the Indian firm.
11. Incomplete bids will be summarily rejected.
12. In addition to what is listed in the technical table, the vendor would like to bring to the attention of the committee, such as data sheets, technical plots, etc., must be listed at the end of the compliance table. The committee will go through the data provided and that available on their website to evaluate the suitability.
13. The decision of the purchase committee will be final. The Institute reserves the right to accept or reject any bid or to annul the bidding process and reject all bids, at any time before the award of the contract, without thereby incurring any liability of the affected bidder or bidders.
14. Only the Original Equipment Manufacturer or their authorized representatives across the globe shall participate in the bid.
15. The order will be placed only with the bidder who participated in the bid.

(B) Cancellation of Tender

Notwithstanding anything specified in this tender document, IISc Bangalore, in its sole discretion, unconditionally and without having to assign any reason, reserves the rights:

- a. To accept OR reject the lowest tender or any other tender or all the tenders.
- b. To accept any tender in full or in part.
- c. To reject the tender, the offer not conforming to the tender terms.

(C) Validity of the Offer

The offer shall be valid for at least 120 Days from the date of opening of the technical bid.

(D) Evaluation of Offers

1. The technical bid (Part A) will be opened first and evaluated.
2. Bidders meeting the required eligibility criteria as stated in Section 2 of this document shall only be considered for the Commercial Bid (Part B) opening. Further, agencies not furnishing the documentary evidence as required will not be considered.
3. Pre-qualification of the bidders shall not imply final acceptance of the Commercial Bid. The agency may be rejected at any point during technical evaluation or commercial evaluation. The decision regarding acceptance and/or rejection of any offer in part or full shall be the sole discretion of IISc Bangalore, and the decision in this regard shall be binding on the bidders.
4. The award of the contract will be subject to acceptance of the terms and conditions stated in this tender.
5. Any offer which deviates from the vital conditions (as illustrated below) of the tender is liable to be rejected:
 - a. Non-submission of complete offers.
 - b. Receipt of bids after the due date and time, and or by email/fax (unless specified otherwise).
 - c. Receipt of bids in open conditions.
6. In case any BIDDER is silent on any clauses mentioned in these tender documents, IISc Bangalore shall consider that the BIDDER had accepted the clauses as of the tender, and no further claim will be entertained.
7. No revision of the terms and conditions quoted in the offer will be entertained after the last date and time fixed for receipt of tenders.
8. The lowest bid will be calculated based on the total price of all items tendered for Basic equipment, along with accessories selected for installation, operation, preprocessing, and post-processing, optional items, recommended spares, warranty, and annual maintenance contract.

(E) Pre-Requisites :

The bidder will provide the prerequisite installation requirements of the equipment along with the technical bid.

(F) Mode of Shipments

The consignment must be air-lifted, insured, and transported to the installation site by the supplier.

(G) Customer Clearance

IISc will furnish the necessary papers for the import of items into India, a necessary customs duty exemption certificate, and other supporting documents to facilitate the import of the items.

(H) Warranty :

The complete system is to be under a comprehensive warranty period of a **minimum of 3 years** from the date of delivery, including a free supply of spare parts and assistance. If the instrument is found to be defective, it must be replaced or rectified at the cost of the bidder within 30 days from the date of receipt of written communications from IISc Bangalore. If there is any delay in replacement or rectification, the warranty period should be correspondingly extended.

Extended Warranty: The manufacturer should provide a 2-year extended warranty (including parts and labor) after completion of the provided warranty. (To be priced separately)

(I) Purchase Order

1. The order will be placed on the bidder whose bid is accepted by IISc based on the terms & conditions mentioned in the tender document.
2. The quantity of the items in the tender is only indicative. IISc, Bangalore reserves the right to increase /decrease the quantity of the items depending on the requirement.
3. If the quality of the product and service provided is not found satisfactory, IISc Bangalore reserves the right to cancel or amend the contract.

(J) Delivery and Installation

The system should be delivered, installed at DBG, IISc, installed and demonstrated (without any extra charges) **within 45 days** from the date of receipt of the confirmed purchase order. The supply of the items will be considered as effective only on satisfactory installation and inspection of the system, and inspection of all the items and features/capabilities tested by the center. After successful installation and inspection, the date of taking over the entire system by the center shall be taken as the start of the warranty period. No partial shipment is allowed. The technical installation personnel/engineer, who will perform the installation, must possess proof of a training certificate from the manufacturing company/factory/principal,

which should be submitted along with the tender offer.

(K) System Maintenance:

The bidder should provide free service if a routine upgrade or software installation is required. It is also preferable that the company/bidder should take care of the proper servicing of the instrument on a time-to-time basis.

(L) Payment Terms:

100% payments (except AMC) will be released after completion of delivery and satisfactory installation, subject to TDS as per rules. As per GFR, no advance payment can be made to the authorized Indian distributors unless an equal amount of bank guarantee is provided.

(M) Statutory Variation :

Any statutory increase in the taxes and duties after the bidder's offer, if it takes place within the original contractual delivery date, will be borne by IISc, Bangalore, subject to the claim being supported by documentary evidence. However, if any decrease takes place, the advantage will have to be passed onto IISc, Bangalore.

(N) Disputes and Jurisdiction :

Any legal disputes arising out of any breach of contract about this tender shall be settled in the court of competent jurisdiction located within the city of Bangalore, India.

(O) General:

1. All amendments, time extensions, clarifications, etc., within the period of submission of the tender will be communicated electronically. No extension in the bid due date/time shall be considered on account of delay in receipt of any document(s) by mail.
2. The bidder may furnish any additional information that is necessary to establish capabilities to complete the envisaged work. It is, however, advised not to furnish superfluous information.

3. The bidder may visit the installation site before submission of the tender, with prior intimation.
4. Any information furnished by the bidder found to be incorrect, either immediately or at a later date, would render the bidder liable to be debarred from tendering/taking up of work in IISc Bangalore.

Section 4 : Technical Specifications

Ultrasonicator

Technical Specifications Of Ultrasonicator :

1. The instrument should support DNA, RNA and chromatin fragmentation in the desired size range
2. The sonicator must be used for the consistent DNA/RNA shearing to a wide range of target sizes.
3. The sonicator should support cell and tissue disruption for RNA and protein extraction
4. The instrument must efficiently isolate high-quality soluble chromatin that can be IP'ed for downstream application.
5. Must be used for DNA/RNA extraction from formalin-fixed, paraffin-embedded (FFPE) Tissue Samples, dried blood spots (DBS), and whole blood.
6. The instrument must allow the efficiency of cellular lysis independent of buffer constituents and thus provides the flexibility to homogenize cells and efficiently extract proteins, RNA, DNA, Metabolites, or other targets in buffers optimized for downstream analytical methods.
7. Must be used with Next generation sequencing workflow.
8. Must permit sonication between 20ul up to 1ml sample volume.
9. The instrument must be provided with holders for 20ul up to 1ml sonication tubes
10. System should have integrated chiller for temperature control and automated water bath management.
11. System should shear the sample without heat induced damage to samples.
12. The instrument should have a low noise level without the need for soundproof accessories.
13. Standard and reproducible protocols should be available for DNA, RNA and chromatin sonications.
14. Sonication tubes for 20ul to 1ml (100 reactions each) shall be provided along with the machine.
15. System should be supplied with one year standard warranty.
