Position	No. of Vacancies	Age Limit	Essential Qualification	Monthly emoluments
EHS Manager	01 (UR)	50 years*	<ul style="list-style-type: none">Three- or Four-year Bachelor's degree in Science, Engineering or EHS/Safety.PG Diploma (or higher) in Safety from a recognized degree-granting institution or body. This criterion is relaxed for candidates with a four-year Bachelor's Degree; or Master's in Engineering / Science.At least 5 years of experience as an EHS Officer in a reputed organization (public or private). Must have expertise in one of the following: fire safety, chemical safety, gas safety, process safety or bio safety.	Rs. 67,000 – 1,00,000/- + HRA

* As on the last date of receipt of the application.

Job Description

EHS Manager will be part of the core safety management team at the institute, headed by the Institute's Safety Committee. Primary responsibilities include:

- Develop guidelines and procedures for the disposal of laboratory waste and waste treatment.
- Develop, document, and implement various EHS protocols at the institute.
- Organize periodic training and enable stakeholders to understand the principles and applications of EHS issues.
- Conduct EHS audits to assess the conformity of various laboratories within the institute.
- Suggest corrective actions, if any, after the inspection, follow-up, and help the laboratories implement the suggested corrective actions.
- Assist in managing a safety portal (website) for the institute that serves as a safety education, training, and documentation repository.
- Develop guidelines for emergency preparedness and streamline emergency response.
- Provide periodic presentations and submit reports to the institute's safety committee with statistics about the status of safety infrastructure, safety practices, and their effectiveness at the institute.

- (i) Liaison with concerned authorities to ensure complete compliance with governmental regulations concerning safety in the workplace and protection of the environment through the prevention of environmental pollution.
- (j) Other responsibilities assigned by the Institute safety committee.

Duration

Engagement is purely temporary, on a contract basis for a period of **one year**, effective from the date of joining, and the contract may be extended annually up to a maximum duration of **five years**, based on satisfactory performance and discretion of the Competent Authorities of the Institute. For candidates previously employed at IISc through appointments made by the HR Department, the duration of their prior service will be counted in the maximum permissible tenure of five years.

An annual increment of up to 10% is admissible in the case of extension, based on the performance of the candidate and the recommendation of the Competent Authority.

The reserve list will remain valid until December 2027.

Selection Procedure

Shortlisted candidates will be called for an Interview. However, the Institute reserves the right to conduct a written test if circumstances arise. The Institute may also ask for two references who can vouch for the expertise and character of the candidate.

INSTRUCTIONS FOR APPLICANTS		
(i)	Submission of Online Application	
	(a)	Candidates who are desirous to be considered strictly on the aforesaid terms and conditions may fill out the application form on the link given below duly attaching the required certificates in support of age, category, qualification, marks, disability, and experience on or before 27th January 2026 .
